<p>The Galatorg Empire guild in Guild Wars 2 was created Aug 26, 2012 and recruitment started on August 28, 2012 (release day). ♦We are on the Sorrow's Furnace server if you would like to join us. ♦My main character's name is "Xonox of Galatorg". ♦We are just a casual social guild that plays all aspects of the game. ♦Part of our goal is to offer extra help to get people through the PvE portion and down the line when we get more active members we will get some events together. ♦Forums have been installed, make suggestions on there. ♦We will also be working to offer as many of the guild buffs as possible. ♦Our current goal is to get a guild bank, let us know what kind of upgrades you'd like to see. ♦In the meantime, this site will be undergoing construction to get it all in order.</p>
